

Erasmus Mundus Joint Doctorate

Law, Science and Technology

Opening of the academic year 2012-2013
(Bologna, October 15, 2012)

Nexa Center for Internet & Society
(Associate Partner)

*Studying the Internet, exploring its
potential & experimenting new ideas*

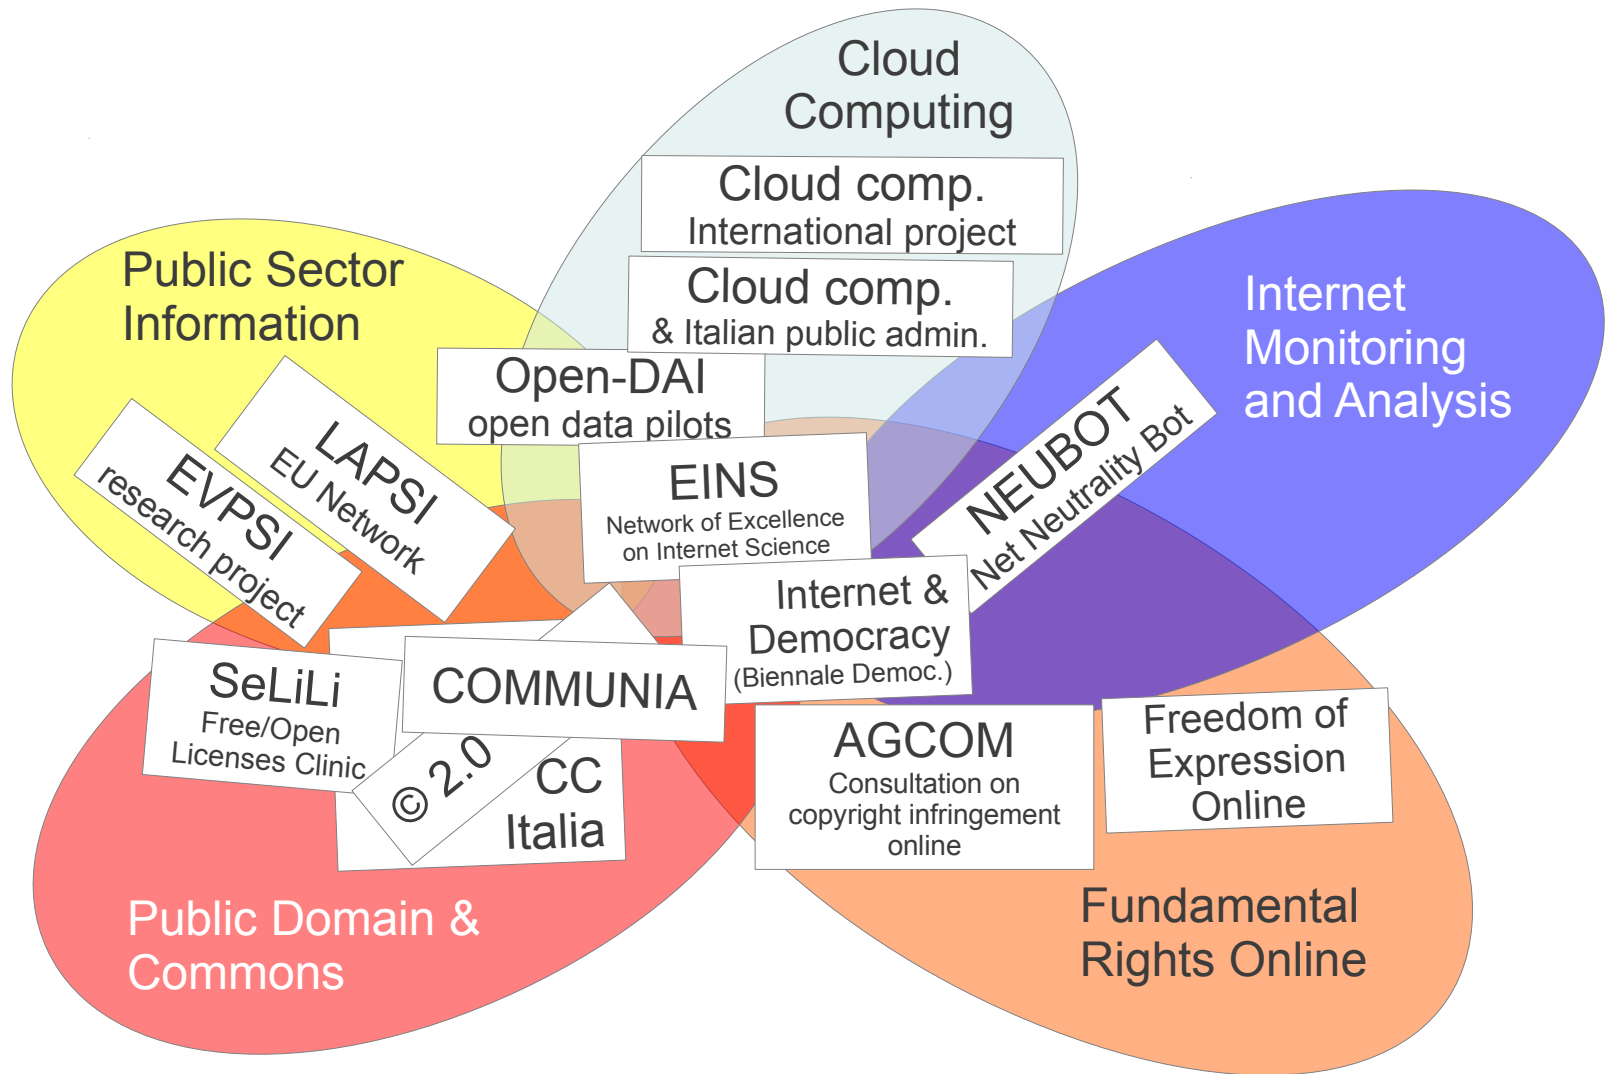

Internet is a powerful technology, disruptive and generative at the same time.

Founded in 2006, the Nexa Research Center for Internet and Society at the Politecnico of Torino is a research center, focusing on quantitative and interdisciplinary analysis of the force of the Internet and of its impact on society.
